### **ABCs of Infant Safety Training** *for Home Visitation and Early Childhood Staff and Partners*

***Friday, September 8, 2017***

***9:30 am - 3:00 pm***

***Camden Clark Hospital, Parkersburg***

[TEAM for West Virginia Children](#) is offering a one-day training session on **Friday, September 8, 2017**, for home visitation and early childhood staff and other community partners across West Virginia to provide the latest information and recommendations about *Say YES To Safe Sleep For Babies* and the *Period of PURPLE Crying*. This training is intended for any new or current home visitation staff and other community partners who have not attended this training in the past.

The training and materials are free, and lunch will be provided. Registration details and additional information will be sent in early August.

*The Office of Maternal, Child, and Family Health, West Virginia Department Health and Human Resources and TEAM for West Virginia Children are providing support for this training.*
